Designing Your Future? Listen to Your Heart!

Parents will thank you, Students will succeed!

Imagine a school full of inspired, self-directed students, driven to work hard and achieve their potential from a deep sense of purpose; students who go on to have successful careers and extraordinary lives. This is what all institutions wish for their students. How can you give your students the skills to achieve this kind of inner direction? Diane’s entertaining and engaging keynote address inspires students to:

- *Tune In: Listen to inner guidance for self understanding*
- *Turn On: Follow passion toward career and life goals*
- *Step Out: Make an impactful contribution to the world*

What Event Planners are Saying About Diane . . .

*“Diane’s presentation gave us a glimpse into the process of integrating our purpose into all the aspects of a well-lived life. What was especially notable was **her ability to genuinely connect with the audience, engage them and bring awareness to them—unusual in academic presentations.**” Denise Dreany, Women in Gov. & Public Policy, University of Albany*

*“Diane’s presentation was **empowering.** Our students definitely had their eyes opened and **focused on their goals** and dreams for the future. We will definitely have Diane back at our campus again for another eye opening experience!” Tina Young, Events Coordinator, Mercer County Community College*

*“Diane is a gifted communicator. She **challenges** the audience to reevaluate their lives, and **encourages** them to reach beyond to make a lasting difference in life. She **possesses the leadership skills to inspire** an audience to think beyond today.” David Jones CPO Manager of Hanger Orthopedics/Rotary President Utica, NY*
